

Campus wide locations for expressing and/or breast feeding
Porters of each building can direct people to these rooms

Building	Room/Location	FM Contact	Notes
Current Facilities			
Merchant Venture Building	2nd floor, adjacent to porters reception	Elliot Riddle	This a quiet private room secured by digilock. School office in 2.19 (opposite porters lodge) can provide the code, or see Estates Assistants for access. No fridge facilities
Medical Sciences	First aid room	Peter Walker	As part of local arrangements, the School have put a small fridge in this room for it to be used as a facility to express and store milk. However, it is not a dedicated space as it is also used for taking blood samples from volunteers for research projects.
Senate House	4th Floor Mezzanine level	Marek Kowalewski	Key to room held by Finance reception desk on 4th floor
The Richmond Building	First aid room	Nicola Kerry	First aid could be used. There are no fridge facilities.
Canynge Hall	G.06c	Nicola Kerry	A small fridge in Ground Floor Kitchens has been labelled for breast milk only
Oakfield House	Ground Floor OG.14	Nicola Kerry	A small fridge in Ground Floor Kitchens has been labelled for breast milk only
Planned facilities			
Life Sciences	Lower ground floor / rest room	Nigel Poulson	It is likely this area will be developed late in 2015 to accommodate breast feeding
4 Priory Rd	1st floor toilets/shower facility	Darren Buss	Refurbishments planned summer 2015 and it has been suggested to include a space for breast feeding/expectant mothers. If this goes ahead, would be online by start of new academic year.
